RE: Right of way for preventive maintenance on underground gas pipes.

Dear Sirs,

We hereby grant you the mandatory permanent right of way for the installation of the underground internal connection, in favour of Gas Natural Redes GLP, S. A., (hereinafter The Distributor) and for performing the regulatory preventive maintenance of these installations in accordance with the current legal provisions.

Likewise, we agree not to plant any trees or long-stemmed shrubs, or raise buildings or build sewers, at a distance of less than 1.5 m from the pipe's axis, and not to perform any ploughing, digging or other similar works to a depth of more than 40 cm on a one-metre strip of land to each side of the pipeline.

This assignment of right of way will be notarised at the time that is deemed appropriate, at the The Distributor's request.

In compliance with the provisions set out in the current legislation on Personal Data Protection, Gas Natural Redes GLP, S.A., (hereinafter, Redes GLP) with registered address at Avenida San Luis,77 28033 Madrid, hereby informs you that your personal data will be processed for the purpose of guaranteeing the maintenance, development and control of your contractual relationship and for complying with the applicable legal obligations deriving therefrom.

With regards to the communication of your personal data, this may be shared with public bodies and administrations, for compliance with the applicable legal regulations.

In addition, Redes GLP informs you that you may access, rectify and erase your personal data and exercise the other rights recognised in the regulation, by writing to Customer Service (Atención al cliente) at Plaça del Gas nº2 08003 Barcelona.

We recommend you refer to the detailed information on data protection available on our website www.redesglp.gasnatural.com.

RE: Right of way for preventive maintenance on overhead gas pipes.

Dear Sirs,

We hereby grant you the mandatory permanent right of way for the overhead installation that passes through our property, in favour of Gas Natural Redes GLP, S. A., (hereinafter The Distributor) and for performing the regulatory preventive maintenance of these installations in accordance with the current legal provisions.

Furthermore, we agree not to build anything that could affect the accessibility or diminish the fastenings of the installation, or use the same as a support for foreign elements.

This assignment of right of way will be notarised at the time that is deemed appropriate, at the The Distributor's request.
